

Need your medical ID card quick? Print a temporary one

Haven't received your member medical ID card yet? Or do you need to go to a doctor's appointment before you get it? There's no need to worry - you can always print a temporary ID card. It'll work just as well as the real thing.

Printing your temporary ID card is easy and takes only a few minutes. You can print a temporary ID card online through our website, anthem.com, by following these steps:

- Log in to anthem.com or register online if you do not have an account (call Member Services and request your health care ID number to register).
- Click on the Print Temporary ID card link.
- Select a name from the drop down box of the member you wish to print a temporary ID card for.
- The system will display the Temp ID Card.
- Click the print icon in the upper left hand corner of the PDF to print.

You can print the ID card using your own printer and then use it at your next doctor's appointment.

It's important to remember that your temporary ID card **expires 30 days after its issue date**. The temporary ID card is not meant to replace your permanent ID card, which you will still get, and it may not include all of your benefit information.

If you have any questions, a Customer Service number is on the temporary ID card.

So, if you need an ID card quick, go online and print a temporary one as a backup!

A temporary ID card is also a great option if you ever misplace or lose your regular one!
