The screenshot shows the Express Scripts website interface. At the top right, there are links for "[+] Feedback", "Terms of Use", "Privacy", "View Text Only", "Español", and "Logout". The main navigation bar includes "Home", "Manage Prescriptions", "Health & Benefits Information", "My Account", and "Contact Us". A shopping cart icon shows "0 items in cart". The "Health & Benefits Information" dropdown menu is open, listing options: "Getting Started", "View Benefit Highlights", "Print & Request Forms & Cards" (highlighted), "Learn About Formularies", "Prepare For My Doctor Visit", and "Visit the Health Resource Center". Below the navigation, there is a promotional banner for the mobile app with QR codes for Apple App Store, Google Play, Windows Phone, and Amazon. The banner text includes "Download the mobile app" and "Scan this code with your mobile device now to download the app." Below the banner, there are four service tiles: "Refills & Renewals", "My Rx Choices", "Medicine Cabinet", and "Order Status", each with a brief description of the service.
