

# ANNUAL HEALTH ASSESSMENTS (AHAs) ARE POSTPONED UNTIL FURTHER NOTICE

At CareHere, the health and safety of our patients, employees and the public is our top priority. In response to the global COVID-19 (coronavirus) crisis, we are maintaining social distancing as recommended by the Centers for Disease Control and Prevention (CDC).

We are encouraging all employees and patients to postpone all non-essential, preventive care exams and AHA follow-up appointments at this time. For more information about COVID-19, please visit [carehere.com/coronavirus](https://carehere.com/coronavirus)

No action is needed on your part. Currently, scheduled appointments are being automatically canceled. We will let you know when AHA events will be rescheduled. Additionally, any needed AHA follow-up appointments will be rescheduled telephonically.

If you have any questions, please contact 513.896.2398.

Thank you for your cooperation and support during this unprecedented time.
