

WELLNESS CREDIT & FREE ANNUAL HEALTH ASSESSMENT FAQ

What is an Annual Health Assessment (AHA), and why do I need one?

The Annual Health Assessment (AHA), provides a comprehensive picture of your overall health. This powerful tool helps to identify areas where you can work to improve including: high cholesterol, high blood pressure, diabetes, nutritional concerns and many more.

Completing your AHA with CareHere is an important first step on your path of wellness and preventive healthcare. The AHA will give your healthcare team opportunity to discuss a plan of action and give you all the tools you'll need. CareHere Certified Health Coaches are with you all the way, available to work with you personally and confidentially. The AHA is FREE to employees & spouses enrolled in the Butler Health Plan.

What will happen during my AHA?

The team will take your blood pressure, height, weight, waist circumference, along with a blood draw which looks at a variety of values including high cholesterol, triglycerides, iron levels, glucose levels, A1C if glucose is higher than 100, TSH for women over 50, kidney and liver functioning and more.

When is the time frame to be eligible for the Wellness Credit?

- **January 1, 2021 - October 31, 2021**

Who is eligible for the \$150 Wellness Credit? When will I receive my \$150 Wellness Credit?

- Employee and/or Spouse in the medical plan who participate in the AHA will each receive a \$150 Wellness Credit toward their medical plan deductible
- The \$150 credit will be applied to your deductible beginning **January 1, 2022**
