

CareHere TeleVisit is your resource for care.

Schedule a TeleVisit

- Use the CareHere App or CareHere.com.
 - 1 Make a **Medical** appointment.
 - 2 Enter **Reason for Visit**: "TeleVisit" and symptoms, follow-up review or medication refill, as well as your phone number where you can be reached.
CareHere will call you, don't ignore the 'unknown number'

Medication Refills

- Options for medication refills through TeleVisit appointments.
- Generic medication refills may be sent to your home, discuss your eligibility with your Provider.
- Medication refills may be sent to the local pharmacy of your choice to pick up (all co-pays will apply).

Postponement of all non-essential services

- If blood work is already completed, follow-up can be done via **TeleVisit**.
- All non-essential, preventive visits and AHAs have been postponed until further notice.
