

MEET THE PEOPLE SERVING YOU

Jen Gantt, PA

Jennifer Gantt is originally from Trenton, Ohio and currently lives in Liberty Township. She received her Physician's Assistant degree from Kettering College of Medical Arts and her Master's degree from the University of Nebraska. She began her career in Family Medicine at Wetherington Family Medicine 15 years ago.

Jennifer strives to provide the best care possible for her patients and building trusting relationships. In her spare time, she enjoys spending time with family and friends. She enjoys beach and lake vacations, and is an AVID Ohio State football fan!

Elizabeth Whitfield, FNP

Elizabeth Whitfield is a Family Nurse Practitioner who returned to her hometown of Cincinnati after living for 11 years in Baltimore, Maryland and prior to that as a Peace Corps Volunteer in Haiti, where her true passion for healthcare began. She attended Johns Hopkins University and earned her Master of Science in Nursing and Public Health. Together, with a Bachelor of Social Work from the University of Tennessee, these degrees combine to help achieve her goal of focusing on the whole individual, preventing illness, maintaining optimal health and connecting to valuable community resources. Recently, she has been providing primary and preventive healthcare to Medicaid recipients in their homes throughout Ohio and Michigan.

Elizabeth enjoys spending time with her family, which includes her husband, two sons and their dog, MacGyver. She stays busy keeping up with school schedules, soccer and swim practices, piano, Cub Scouts and still tries to find time for her favorite hobbies of running and reading.

Jennifer Woodward, DO

Jennifer Woodward is a Doctor of Osteopathic Medicine who earned her B.S. in Biology from the University of Dayton, and her medical degree from the Philadelphia College of Osteopathic Medicine - Georgia Campus. She completed her residency in family medicine at the West Virginia School of Osteopathic Medicine/Cabell Huntington Hospital at Marshall University. She is board certified and a member of the American Osteopathic Association, American Academy of Family Physicians and American College of Osteopathic Family Physician. Dr. Woodward's volunteer service includes serving the Christian Medical and Dental Association's Global Outreach Program, as well as participating in medical missions to South Africa with her church. She began her career by serving four years active duty in the Air Force as a Family Physician, treating active-duty members of all services, their dependents and retirees.

Jennifer enjoys traveling and spending time with her pets, including her new puppy, Rudy.

Gary Kidd, FNP

Gary Kidd is originally from Hamilton and currently lives in Liberty Township. He received his training as a Nurse Practitioner from the University of Cincinnati College of Nursing. He has worked in family practice and internal medicine prior to starting at CareHere. His scope of service includes support from birth through adulthood, monitoring and treatment of continuing disorders and disabilities.

In his spare time, Gary likes to spend time with his family and his two dogs, as well as reading mystery novels and working on his house.

Amanda Maroon, FNP

Amanda Maroon is a Certified Family Nurse Practitioner who was born and raised locally and currently resides in Lebanon, Ohio with her husband and three sons. She is currently completing her Doctor of Nursing Practice degree from the University of Cincinnati. Amanda is a graduate of Indiana Wesleyan University's Family Nurse Practitioner and Bachelor of Science in Nursing programs. Amanda has been a registered nurse for 19 years and a primary care provider since 2014. She enjoys helping patients reach their health goals. She values health promotion and aspires to have a healthcare plan that is compatible to each individual patient's needs.

She enjoys camping, boating, gardening, hiking and most of all, spending time with family and friends.

MEET THE PEOPLE SERVING YOU

Tasha Wilson, RN

Tasha Wilson is the Health Center Manager and was born and raised in Ohio. She is currently pursuing her Master's degree from Chamberlain University - College of Nursing with a focus in Nursing Executive Leadership. Tasha has been a registered nurse for over twelve years and, prior to joining the health center team, worked as a Clinical Trainer for a local homecare company. She strives to treat each patient how she would want to be treated and more importantly, how she would want her family treated. Tasha wants to make each patient feel welcomed and at ease each and every time they visit the health center and loves getting to know patients and educating them because she feels knowledge is power.

Tasha enjoys spending time with her family and two dogs kayaking, hiking, vacationing at the beach, and having family movie and game nights.

Melody Latino, MA

Melody Latino is originally from Bluffton and currently lives in Trenton. She completed her education at Brown Mackie College. Melody strives to honor her clients and coworkers to better their health and wellness goals. She states, "I am honored to be a part of this team and look forward to serving our clients and building relationships."

In her spare time, Melody enjoys spending time with her three children, camping and the outdoors.

Kandice Dooley, MA

Kandice Dooley is originally from Cincinnati and currently lives in Mason. She completed her education at The Institute of Medical and Dental Technology. Before joining CareHere, Kandice worked as a medical assistant at The Christ Hospital.

She strives to provide quality care and make a difference for each and every patient. In her spare time, Kandice enjoys being with her family outdoors, hiking, biking and boating. She also enjoys cooking and baking.

Jessica Meyer, MA

Jessica Meyer is originally from Lawrenceburg, Indiana and currently lives in Hamilton. She completed her education at the Institute of Medical and Dental Technologies in 2011. Prior to joining CareHere, Jessica worked at The Christ Hospital as a medical assistant. She strives to provide quality care and help each patient have an enjoyable visit at the health center.

In her spare time, Jessica enjoys spending time in her camper, where she likes to boat, fish, hike and spend time with family and friends.
