What if it is determined that I need the COVID-19 Test?

Test location availability is changing on a daily basis. Your health care provider will give you instructions on where to go for the test.

Coronavirus symptoms prompting an Emergency Room visit:

Go to the ER if you having extreme symptoms such as high fever, vomiting, difficulty breathing or a combination of severe symptoms. If possible, phone ahead so that precautionary measures can be taken.

When will the COVID-19 vaccine be available at Butler Advantage?

It is not known when the vaccine will be available to non-hospital based health care organizations like the Butler Advantage Centers. The CDC, Ohio Department of Health and FDA direction will determine the distribution order and locations. If the vaccine becomes available at Butler Advantage, members will receive a communication.

Will there be a charge to get the vaccine?

The cost of the vaccine will be covered at 100 percent for BHP members.
