

Our Prescription Plan offers two choices to fill long-term maintenance medications

A maximum of three fills allowed at retail (up to a 34-Day supply) for a new maintenance drug. After that, a 90-Day supply of the drug must be filled at the Express Scripts Home Delivery Pharmacy or at a retail pharmacy in the Smart90 Standard Retail Pharmacy Network.

Express Scripts by EVERNORTH Home Delivery Pharmacy

You may conveniently fill your long-term maintenance prescriptions through home delivery from Express Scripts Pharmacy.

- FREE standard shipping
- Access to a pharmacist 24/7
- Automatic refill reminders so you are less likely to miss a dose
- Extended Payment Plan available
- Just call 866.275.0044 and they will contact your doctor to get your new prescription or go to [express-scripts.com](https://www.express-scripts.com)

Smart90 Standard Retail Pharmacy Network

If you prefer a retail option to fill your long-term maintenance medications, you may fill at a retail pharmacy in the Smart90 network.

There is a select group of retail pharmacies in your area in the Smart90 network, such as Kroger, Meijer, Walmart and more.

A 90-Day prescription is required.

Note: Walgreens is NOT in the pharmacy network.

The Express Scripts® mobile app is like a pharmacy in your pocket. You can order refills, make payments, and even set up reminders to take your medication.
